

# KOINONIA PARTNERS

I THANK GOD ALWAYS FOR YOU BECAUSE OF YOUR PARTNERSHIP (KOINONIA) IN THE GOSPEL.  
PHILIPPIANS 1:4-5

## WHAT IS A DENVER INSTITUTE KOINONIA PARTNER?

A Denver Institute Koinonia Partner is a business or business leader who both believes in and lives out Denver Institute's mission, who values Denver Institute's contribution to the business ecosystem of Denver and the Front Range, and who ensures the mission is achieved through annual financial support. Koinonia, the Greek word often used in Paul's letters, and usually translated as "fellowship," really means the joyful striving that is born of deep partnership in the Gospel.

## FREQUENTLY ASKED QUESTIONS

Why is the full amount of my gift not a charitable contribution?

Because you are receiving "services" in the form of event tickets and meals, DIFW cannot make the full amount of your gift a charitable contribution.

Although DIFW prefers for your gift to be received in full, we welcome your support in whatever payment schedule works best for your organization.

Does a gift have to be one lump sum?

Is this the same as event sponsorship?

No. If you're interested in sponsoring Women, Work, & Calling or Business for the Common Good, please contact Jeff Hoffmeyer. Event sponsorship is meant for businesses or organizations which are interested in more marketing opportunities than Koinonia Partners provides.

You will receive a full calendar year of benefits beginning with your first gift. For example, if you give on December 31st, 2022, you will receive benefits for the entire calendar year of 2023.

How does the timing of the benefits work?
