

KOINONIA PARTNERS

I THANK GOD ALWAYS FOR YOU BECAUSE OF YOUR PARTNERSHIP (KOINONIA) IN THE GOSPEL.
PHILIPPIANS 1:4-5

WHAT IS A DENVER INSTITUTE KOINONIA PARTNER?

A Denver Institute Koinonia Partner is a business or business leader who both believes in and lives out Denver Institute's mission, who values Denver Institute's contribution to the business ecosystem of Denver and the Front Range, and who ensures the mission is achieved through annual financial support. Koinonia, the Greek word often used in Paul's letters, and usually translated as "fellowship," really means the joyful striving that is born of deep partnership in the Gospel.

Koinonia Partners are typically, but not always:

- A business in the greater Front Range
- Do not want the marketing benefits of sponsorship opportunities
- Would like to see the business ecosystem in the Front Range benefit from more content and connection through Denver Institute

FUNDING LEVELS AND BENEFITS

\$5,000

- Two (2) **complimentary seats** to both Business for the Common Good and Women, Work, & Calling
- **Your logo** (linked to a landing page of your choice) included on our Koinonia Partners webpage

FREQUENTLY ASKED QUESTIONS

Why is the full amount of my gift not a charitable contribution?

Because you are receiving "services" in the form of event tickets and meals, Denver Institute cannot make the full amount of your gift a charitable contribution

Is this the same as event sponsorship?

No. If you're interested in sponsoring Women, Work, & Calling or Business for the Common Good, please contact Jeff Hoffmeyer. Event sponsorship is meant for businesses or organizations which are interested in more marketing opportunities than Koinonia Partners provides.

Does a gift have to be one lump sum?

Although Denver Institute prefers for your gift to be received in full, we welcome your support in whatever payment schedule works best for your organization.

How does timing of the benefits occur?

You will receive a full calendar year of benefits beginning with your first gift. For example, if you give on December 31st, 2024, you will receive benefits for the entire calendar year of 2025.
